Section 73—Rule 2.

Cancel the Note under this Rule, and substitute the following :—

[NOTICE.—Sessions Judges in most Provinces are ordinarily required to dispose of certain criminal work at their stations during the periodical Court vacations; but the work to be done is often insufficient to require their presence at their stations during the whole vacation. A Sessions Judge or other officer whose work requires him to be present at his station for a portion of the vacation is eligible for privilege leave under the ordinary rules, provided he has not been absent from his station for more than 15 days of the vacation. If he has been absent for more than 15 days, his title to privilege leave is regulated by Rules 1 and 3 under this Section. Any such officer applying for privilege leave under the ordinary rules must attach to his application a certificate that he was not absent from his station for more than 15 days in any of the vacations included in the period of service by which the privilege leave claimed has been earned.]
